

INTERNSHIP COVER LETTER

NAME: TE SENGHOT

Junior IT Technician

Date: 18-April-2024

Dear Cambodia Angkor Air,

I am delighted and willing to apply my resume hoping for an internship in IT web-development position. I wish to work and making progression to be a qualify Web-developer. I hope I could get the opportunity to work, deliver my best output and learn as quick as I could.

Briefly about me:

- Trustworthy, able to withstand pressure and stressful situation
- Adaptability, willing to learn
- Cautious & Teamwork
- Researching, Self-Development
- Optimistic & Self-motivated

I believe I could fit well into the work environment and the team member. I hope I could get this opportunity to join the team. I appreciate your consideration to review my resume and hoping to hear from you soon.

Yours Truly,

Te Senghot
